**MAY 15<sup>th</sup> 2025 10 AM GENERAL MEETING MEMBERS ONLY**

### PRESIDENTS REPORT

Since my report last month, winter has suddenly arrived especially after the magnificent Easter long-weekend weather.

I remain most concerned that no volunteer has yet come forward to fill the important position of Secretary. Chris Hall has offered to help ease the new secretary into the position and "shown them the ropes". This is a very interesting position in our club so please consider putting your name forward today.

Last meeting I had the very great pleasure of presenting Brian Skingsley with his Life Membership for his excellent dedication to our Club over some ten years.

Our drive for new members continues and I request each one of you to assist in this most important task. Without new members, we will slowly shrink away so please do what you can to help. I was indeed pleased to be approached by a number of members at last month's meeting to volunteer to assist Keith Penfold and Ken Fletcher with our "Membership Drive" table in the Forestville Village later this month.

Also remember my request to please introduce your friends and neighbours by bringing them along to meetings - perhaps you can bribe them with some of our famous Chocolate biscuits !!!

I would like you to consider new club activities - for example a "\$2.50 Club." For this minimal expense, we can train up to the Central Coast maybe Gosford or Newcastle, have lunch, walk about and train home. Also perhaps a train trip south to Kiama, fish and chips at the harbour, etc. I call for a volunteer from the floor, to organise just one Probus \$2.50 Opal Card adventure - the idea is that someone else organises it next time. What about a "Short Walk, Talk and Coffee Group" ; an "Investment Group" ; a "Glen St Theatre Group" ; a "Cinema Group" ; a "Golf Group" and indeed many more. Remember it only takes three of our members to make up a "Group" - initially that is.

I followed up members' request for PSPL to address us on the question of Probus Travel Insurance. Their CEO declined our request but offered to answer any questions which our members may wish to raise. So please let me have any such questions in writing. One important issue which came out of this was that Probus Travel Insurance did not cover over-night trips. I await your questions.

You will be aware that a number of us have a snack lunch in the downstairs restaurant after our meetings. This is of course open to ALL so please do join us after the meeting. Certainly a good way to get to know your fellow members.

PSPL have recently issued their revised suggested Constitution which we are currently reviewing. Our sub-committee headed by Rob Beaton is tasked with this review.

.Cliff Ventris

President

**Tang Mo and Pak Boon** have arrived safely at Monarto Safari Park following their successful transfer. After a 22-hour, 1,300 km journey, both elephants travelled comfortably and calmly. Upon arrival, they walked calmly out of their crates and into the elephant barn, where they are now resting and beginning to acclimatise to the sights, sounds, and smells of the Mallee Plains. The Monarto team, along with our keepers, are helping them settle in — starting with a well-deserved bath!

It's been a significant and carefully coordinated effort, and we're incredibly proud of all those involved and how smoothly the move has gone.
