PRESIDENT'S REPORT Cliff Ventris President

Welcome to our first meeting of 2026 and I trust you all enjoyed a Happy Christmas with your family and friends.

Happy "New Year" and I trust that we all have a safe and peaceful year ahead.

I am saddened to report the passing of Neale Bull on Monday 5 January 2026 - one day after his 90th birthday attended by all his family and close friends. Neale was a long-standing loyal member of our Club and always attended meetings when possible notwithstanding his deteriorating health. Our sincere condolences are extended to his wife June and family.

On a more happy note, I was indeed pleased to recently receive a Certificate of Congratulations to our club from the Chairman and CEO of Probud South Pacific Limited ("PSPL") celebrating the 35th Anniversary of our club - 1991 to 2026. This certificate will hopefully be formally presented at today's meeting.

With regard to club finances, at our last committee meeting it was decided to remove the \$4 tea/coffee entrance fee per meeting and include this within our revised annual membership fee. This annual fee will now be increased to \$70 (present membership of \$45 plus \$25) effective 1 April 2026. This is an overall reduction of some \$20 a year especially for those who attend meetings regularly. So the more meetings you attend, the cheaper each meeting will be. There will be no charge for partners or visitors. This new routine, will largely eliminate the build-up of crowding at our meeting entrance. It will also assist our Treasurer by eliminating the counting of loose coins/card payments, making banking deposits and again the build-up of members at the entrance tables. This new annual membership fee will also absorb the increased PSPL capitation fee. Thus a win-win improved system for all. Thank you Treasurer Brian Skingsley for your excellent proposals.

Your committee has also decided to combine the portfolios of "walks", "lunches" and "\$2.50 club" into one renamed "outings" with one committee organiser. I shall call for a volunteer at today's meeting for this new position. I shall also enquire which day suits the majority of our members for these functions. This new portfolio will include viz. visit to the new Sydney fish market (when it opens !), a launch cruise up the Parramatta River and lunch, also fish-and-chips day outings.

Our next function will be our annual BBQ on Thursday 22 January 2026 at Jamieson Park on Narrabeen Lake.

This is always a great event and ALL members are encouraged to make a special effort to attend. Details to follow at our meeting.

The forthcoming Australian Army Band presentation on Monday 9 March 2026 at

11am at the Glen Street Theatre should be of interest. Entry fee \$26 for members/\$36 for non-members including refreshments. More details at today's meeting.

Our membership continues to grow albeit too slowly for me. I therefore appeal to each of our members to please continue to treat this matter as most important and to invite your relative, friend or neighbour to the next meeting.

We will be inducting Janice & Graham Wren at this meeting - please welcome them.

Finally, I shall call for nominations for the incoming committee for the ensuing 2026/27 Probus year at our February meeting. Please give this matter your serious consideration and nominate for the various positions. Remember this is YOUR club and if you want it to continue for another 35 successful years, do put your name forward.
